Induction of the 1929 and 1930 Classes.

1. A letter of 19 May 1951 which source received from Marchwacz (P 52/O 13) stated that five ethnic Germans from the Kalisz (P 52/H 94) area would be inducted into the Polish Armed Forces on 20 May 1951. The conscripts were of the 1929 and 1930 classes and, though not having opted for Poland, had been registered for the draft about six months ago. \*

Change in the Repatriation Policy for Ethnic Germans.

2. A letter of 1 May 1951 which source received from Kalisz stated that several ethnic German families that had left Lodz (P 52/O 93) for Germany on 20 March were sent back to Lodz by a Polish commission at Camp Mundsfield (P 52/C 52). Only in exceptional cases were ethnic Germans allowed to move on to Germany.
3. A letter of 3 April 1951 from Lodz stated that the repatriation policy for ethnic Germans had changed inasmuch as only the old and sick would henceforth be allowed to resettle in Germany. Another letter of 16 April 1951 from Lodz said that the last shipment of repatriates left for Germany on 16 March 1951.

- 25X1A 4. A letter of 21 March 1951, [REDACTED] (O 51/H 07) stated that the treatment of ethnic Germans had improved recently, and that a new policy had been introduced, under which only those who could produce a letter of consent by relatives in Germany were cleared for repatriation.
